

Application for Badminton 2020-21

Badminton at St Vincent's Castleknock College 2020-21 will be managed by Brian Kearney & Co, who also manages our tennis. The international standard coaches working with Brian will be Mark Topping, David Walsh & Reaz Vawda. In its first year of competition, Castleknock College won the U14 and U16 Dublin League and we plan to enter the schools' leagues again in 2020-21. Shuttlecocks and racquets will be supplied (though it is best to get your own racquet eventually). We will be playing on the four badminton courts in our new Sports Hall.

If you sign up for badminton 2020-21 you get:

- **Badminton coaching for an hour after school every Friday**
- **Access to the internal badminton competitions** in both singles and doubles.

The cost is €70, which covers September to May. The first lessons will be on Friday 11th September

Our badminton players will use the PE outfit, but any gear will do so long as the students wear runners.

There are two groupings to choose from:

- **Group A** who are the elite players and who are already quite good at Badminton will train every Friday 4:45-5:45pm.
- **Group B** who are not quite as accomplished as Group A will train at 3:45-4:45pm every Friday.

(There may be some fluidity later for those who wish to change groups)
