

# TY Portfolio

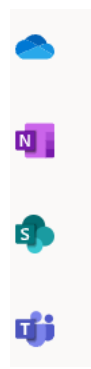

**Subject:** TY Portfolio  
**Number of Periods per week:** 1  
**Class Teacher:** Trevor McDonnell

## **Aims and objective:**

Students will be shown how generate their online TY portfolio. This is their full TY years work. All students will be assigned to the TY 2021-2022 Team account.

## **Course content:**

Students will compile reviews of all activities completed during their TY programme. These will be set as assignments through Teams.

Students will have to upload their work to OneNote.

OneNote will be used to track students' progress.

Students will be shown how to use SharePoint to create their portfolio.

## **Method of assessment:**

No % grade will be given. Students progress will be monitored on the number of assignments completed.

## **Digital Learning Skills :**

Students will become familiar on the use of office 365.
