

Application for Badminton 2023-24

Badminton at St Vincent's Castleknock College 2023-24 will be managed by Brian Kearney & Co, who also manage our tennis. The international standard coaches working with Brian are Louis Lyons and Darragh Higgins. Last year the College teams were very successful winning two Dublin titles and one Leinster Title. Shuttlecocks and racquets will be supplied (though it is best to get your own racquet eventually). We will be playing on the four badminton courts in the Sports Hall.

On signing up for badminton 2023 -24 you get:

- Badminton coaching for an hour after school every Friday and 50 minutes before school every Friday morning.
- Access to the **internal badminton competitions** in both singles and doubles.

The cost is €100, which covers September to May. You can pay for lessons in the 'Shop' section of the college website.

Our badminton players will play in their PE outfit, but any gear will do so long as the students wear runners.
