

Dear TY Coordinator,

We are delighted to invite your School and your Transition Year students to participate in our **TY Modern Languages Prize** in the School of Languages, Literatures and Cultural studies in Trinity College Dublin.

The idea behind the competition is to encourage creative and critical thinking amongst TY students about why they would like to become fluent in a language as well as why they would like to learn about the culture and literature associated with the language.

Enclosed with this letter are:

- Details on competition general requirements, evaluation and submission details.
- A bilingual poster for your School's notice board to promote our **TY Modern Languages Prize**. Should you require a bigger size poster please email [sllcs@tcd.ie](mailto:sllcs@tcd.ie), subject line TY prize.

Submissions by 26<sup>th</sup> January 2024. Prize winners will be announced during the middle of February 2023.

Winners will be invited to a special celebration reception at Trinity College Dublin in April 2024.

We hope you can encourage your TY students to take part in this exciting competition.
